

CONSENT TO CONDUCT TRANSACTIONS ELECTRONICALLY AND TO RECEIVE ELECTRONIC DISCLOSURES AND NOTICES

This disclosure documents your consent to conduct transactions electronically and to electronically receive disclosures and notices relative to the accounts you are applying to open with us online. The disclosure also describes your rights relative to conducting transactions electronically and to electronically receiving disclosures and notices, as well as the consequences of withdrawing your consent. We recommend you print and retain a copy of this disclosure and all the disclosures and agreements related to this transaction.

Once you consent, you will be able to apply to open accounts online. If you do not consent, you will not be able to apply online. However, regardless of whether you consent, you will still be entitled to apply to open accounts through other methods that we permit, such as in person.

You understand, prior to consenting, that:

- (1) Your consent applies only to disclosures and notices regarding your deposit accounts, including your periodic account statements;
- (2) Unless you consent, you have the right to receive all required disclosures in paper or non-electronic form;
- (3) Even after consent, if you want to receive a paper copy of the disclosure in addition to the electronic disclosure you can obtain one free of charge by calling us or writing us at the number or address listed below;
- (4) You can withdraw your consent at any time by calling us or writing us at the number or address listed below; and
- (5) By consenting to conduct transactions and receive disclosures and notices electronically you agree to provide us with the information (such as a current email address) needed to communicate with you electronically and update us as to any changes in such information by calling or writing us at the number or address listed below.

We reserve the right to provide any disclosures or notices in writing, rather than electronically. Except as otherwise provided in this or other agreements, by law, or on our website, you cannot give us notices electronically, and all notices from you must be in writing.

Hardware and Software Requirements

The minimum computer hardware and software requirements to receive and keep the electronic disclosures and notices are:

- Adobe Acrobat Reader
- An operating system and internet connection capable of receiving, displaying, printing, and/or storing communication from us.
- Pop up blockers may prevent the display of reports and agreements.
